- Strong Communication

Benjie Angeles

Web Developer

PROFILE

With a solid foundation in the BPO industry, I am now determined to forge a successful path in web development. Equipped with strong communication, creative thinking, and analytical abilities, I bring a unique set of skills to the table. Proficient in HTML, CSS, and JavaScript, I have a passion for designing and building intuitive, user-friendly websites. Additionally, my experience in problem-solving and troubleshooting enables me to efficiently navigate challenges in the development process. As a collaborative team player, I am committed to delivering high-quality results, always paying meticulous attention to detail.
